MK-1318 Walk-Behind Gas Concrete Saw

The MK-1318 walk-behind concrete saw features a one-piece box construction chassis made from 3/16" hot-rolled steel that will not flex during operation. Powder-coated chassis resists peeling and corrosion. The blade guard mounts on both the left and right side of saw and cuts within 2" of wall or curb. One-year limited warranty.

STANDARD FEATURES:

Blade Guard

Spring-loaded steel hinged blade guard mounts on both left-or right-hand side of saw.

Lifting Bail

Heavy-duty Lifting Bail for easy transportation included.

Pointer

Rigid frame front pointer with guide wheel.

Water Tank

6.5 gallon water tank included.

Handle Bar

Adjustable height handle bar.

Depth Gauge

Positive-locking depth control mechanism and integrated depth gauge.

STANDARD FEATURES:

Honda GX-390 Engine

Honda Engine

Honda GX-390 Engine with 3-year warranty
The engine meets EPA Phase 3 emission regulations.

Water System

"Ride on the blade" water distribution system reduces the water required during cutting.

Tie Downs

Heavy-duty tie down brackets for safe saw transportation.

Wheels

Durable non-slip rubber wheels with maintenance free hubs.

Handle

Collapsible handle for easy transport.

Console

Easy access control panel.

Blade Shaft

Hi-Strength Steel Blade Shaft rides in two 30mm heavy duty sidewall mounted self-aligning flange bearings for low friction power transfer and long service life. Center flats on blade shaft allow for two wrench blade installation and removal.
