

MK Diamond Products, Inc.

Pivoting wheels for easy maneuverability

CC-100 Crack Chasing Saw

Highly productive crack chasing saw for cutting concrete or asphalt. Cuts 6' to 8' per minute (up to 3,000' per day) depending on material being cut. Highly maneuverable--uses small diameter dry diamond blade allowing for tighter turning radius. Can be used for joint clean-out with optional straight cut wheel kit accessory.

Vacuum ports for convenient connection to dust collector

Motor	Honda GX270	Honda GX390
