WET POLISHER KITS

MK-1503 Stone Kit

The MK-1503 Stone Kit includes Wet Polisher, Inline GFCI switch, Water Hose, Wrench, D-Handle, Side Handle, Motor Brushes, 4" Resin Polishing Disc Set (50-8500 grit) for polishing stone materials and a nylon canvas carrying bag. 90 day limited warranty.

Part# 172057-MKS

MK-1503 Lapidary Kit

The MK-1503 Lapidary Kit is ideal for handheld wet grinding and polishing of gemstone and rock materials such as onyx, agate, petrified wood, jade, opal, etc. The polisher is used with the wet vacuum brazed convex (35/40 coarse) wheel for aggressive shaping and grinding, contour carving and sculpting of the material. Flat fine continuous rim cup wheel is used for groove and saw mark removal from slabs. Resin diamond discs (30-13000 grit) are used sequentially for polishing and a felt buffing disc. Also includes a nylon canvas carrying bag. 90 day limited warranty.
